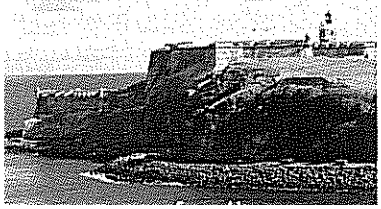
"But if our gospel be hid, it is hid to them that are lost."
II Cor. 4:3



March April 201

Dear Pastors, Prayer Partners and Friends,

These past two months have been full of unique and unforgettable experiences on our deputation trail. We have seen new parts of the country and most importantly seen God work in lives.

March and April were spent in Ohio, Virginia, and New York. **We were in 13 new churches**, including a mission's conference and several day long meetings. We have found that these meeting give us the best opportunity to meet a church family and answer their questions more in depth. The Lord moved through some of the messages that I was able to preach on thoughts such as "With What Spirit Are We Serving Christ" and "Jumping Over The Wall." **I was told of several people who were going to become involved either in missions giving or missions going after these messages**. Praise the Lord for The Holy Spirit moving in lives! It was definitely not because of this preacher. We had the **opportunity to present our work on Easter Sunday morning.** As you may know this is not a normal service for a church to host a missionary family. I preached a sunrise service, and then taught Sunday school, then the afternoon service. It was the **first time I have ever preached for three hours straight.**

We did have some time on this trip to "see the sights." I took a tour of the town where songwriter P.P. Bliss (writer of "Let the Lower Lights Be Burning") was killed in a train wreck. We also were **able to take a tour of New York City where we saw some of man's greatest creations but also the great spiritual need.** Though we did enjoy the bright lights and skyscrapers, it was nothing compared to the beauty of the **Adirondack Mountains** we saw the next day. God's creation is unmatched by human hands.

I had a wonderful **opportunity to share the Gospel with two college students** while in New York. **One, named River**, was a non-practicing Catholic, who had so many questions for me. **His friend Jedediah** was clearly under conviction because he kept leaving the table. Although neither accepted Christ, they have no way to deny they have heard the Gospel and been pointed to the Cross. **Please pray for their souls to be saved**.

My last unique experience for this letter was a **phone call I received from a Gerardo Nieves**. He is a deacon in New Jersey. **He called to tell me his family is from Rincon and he has been praying for years to see a church started there, and even offered to come and help us.** We are humbled to be an answer to his prayer. How many others are praying for their family members to be reached? We cannot wait to get there, but it is all in God's timing. **Pray that our support will continue to increase. We have had several more promises of new support** and are now waiting to see it come in. Thank you for your prayers and financial support as we seek to reach Puerto Rico

This Months Prayer Requests:

- Zachary's CT scan on June 6th
- Kristen and Baby's health
- Wisdom in moving- again…
- Increased financial support

In Christ,
Alexander Spear
