Subject: two remarkable decisions for Christ today

Dear praying friends,

Thank you for conitnuing to pray for the growth of Asau Baptist Church and its members. Two wonderful decisions were made for Christ today that Emi and I want to share with you...

1. A young lady who is known in the village for a very immoral lifestyle came forward at the inviation to receive Christ. Please pray for Taiana's spiritual growth and the establishment of an amazing testimony of a changed life.
2. A man who is known in Asau as the village drunk came forward this evening, confessing many sins and testifying that he wants a changed life that only Jesus Christ can provide. Hallelujah! Please also pray for Sone's spiritual growth and the establishment of an amazing testimony of a changed life.

Your grateful missionaries to Samoa,
Jim & Emi Civale
