He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? Romans 8:32

August—September 2011

Dear Friends in Christ

VICTORY! At last God has provided us with the funds necessary to purchase the much-needed apartments next door to us by way of ministry friends & churches just like ***You!*** Even though we are not in the building we should be making the purchase within the next two weeks--which will allow us to start use immediately! What a blessing to have 8 rooms ready for use! No more carrying tables and chairs weekly! Yeah! We stand amazed at God! His Word does say in Romans 8:32 *"He that spareth not his own Son, but delivered Him up for us all, how shall He not with Him also freely give us all things?"* The Lord has proven Himself true many, many times and this is just another wonderful example!

An amazing testimony of the saving grace of Christ is Brother Alejandro. Years ago he was hit by a public bus here in Panama—the buses are called "Diablos Rojos" (Red Devils)! Just the name says a lot! The bus tire hit him stripping the flesh from his leg from the waist to the ankle. The resulting surgeries during 4 months took over 100 stitches to put him back together. Now his leg is one big scar tissue & he walks with a permanent limp as a result. After being invited to church by his sister he made a profession of faith that was followed by his baptism and a new life in Christ! He serves the Lord going out every week, bringing children to church and being the teacher for the 7-11 year old boys' class!

B.O.B. (Boxes of Blessings) is an **excellent opportunity** for individuals or churches to get involved in reaching Panama with the Gospel! Bro. Duane Moore, from Preaching Time Ministries, is sending a container with 1,500 shoeboxes containing school supplies, Gospel tracts and Johns & Romans. Due to arrive in November, the shipping of this container, that will also include 800 donated BEAMS Bibles, FTL tracts, John & Romans and Bible literature, is going to cost about $4,100.00, half of which ours and other churches in Panama have already pledged. If anyone would like to participate in the remainder it would be a huge blessing as it will not only benefit our works but also other independent Baptist works in Panama! If you would like more information concerning this project please feel free to contact us.

Just after my last letter I was able to participate in another ***Medical Clinic!*** Praise the Lord this time I did not feed the fish by getting seasick! We traveled 5 hours by road, then loaded into canoes and traveled another 3 hours via Rio Indio (Indian River) to the community of Guayabalito. We were able to help with the treatment of about 750 patients, with 300 professions of faith! Folks came from 16 different communities, as far as 5 hours away by foot or horse. One day we happened to notice that the "parking lot" was over flowing with at least 15 horses! That was our busiest day!

Jonathan, David and Elizabeth did well in their home school studies this year! We rejoiced with David, who is 10, and just got to lead his second soul to the Lord a couple of weeks ago!! Jonathan, now 13, is enjoying getting to attend the youth activities; and Elizabeth, now 6, like a little bee, already follows and helps Brenda with the house chores! Once again, thank you for your support and prayers for the Booth Family…we do not take your sacrifices for granted!

In His Service,
The Booth Family
