The fruit of the righteous is a tree of life; and he that winneth souls is wise.
(Proverbs 11:30)

Dear Faithful Supporters,

I would like to greet you all in the wonderful name of our Lord Jesus Christ for his mercies endure forever. I hope that all is well with the church family and Pastor(s).

It is truly a privilege and an opportunity to write to you in regards to the work at The Rock Solid Independent Baptist Church here in Grenada. After I left the States on the 29th of July, to be back home with my Family, Friends and Church Members, I was asked to counsel the young people at Camp and was scheduled to preach in Senior Camp. While I was called upon to preached the Lord has used me greatly to touch the lives of many young people who have drifted from the Lord but rededicated their lives, upon hearing God's words, to God be the glory for great things he has done.

Secondly, at The Solid Rock Baptist Church I must say that the Lord has been good towards us, in that he has saved four persons who have received him as their Lord and personal Savior through bible study on a Thursday Night. One of the four has gone back to Canada where he now resides and was directed to a good Fundamental Baptist Church where he can go and fellowship among the Saints of God. In addition, His wife who is working here in Grenada works on Sundays and hardly gets the time off to come to Church but when she is given a day off from her job she avails herself in the house of the Lord. Furthermore, the other two new Converts are now in baptismal class and will be getting Baptize very soon, please keep them in your prayers.

Moreover, we have seen that the Lord has given an increase in our Visitors attendance in our Sunday morning Services, as the Spirit of God moves and works in the lives of the Visitors and his Saints. Also I will like to take this time to say thank you to all my faithful and generous Supporters, to those of you that are praying us and supporting us financially. Once again I say thanks very much.

Here are some things I will like you to join with us in pray for;

- *The CWE Team who will be aiding us with our unfinished building project.*
- *Our open air meetings as we get ready to preach the Gospel in the Streets of Belmont Anglais for a period of one to two weeks.*
- *The Lord send more laborers into his harvest*

May God continue to bless you richly, as you support a worthy cause to have the Precious seed sown throughout the world.

In his field,
Donald Vincent
