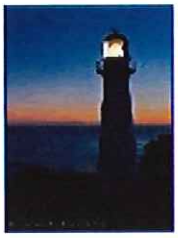
The Quinlans to Micronesia



Dear Praying Friends, April 8, 2013

We praise the LORD for all He has done at Lighthouse in the last couple of months. We had a great Missions Conference and have been able to take on the Henderson family, who will work with the Hursts planting a church in Merizo, Guam. Lighthouse was able to send some members to Merizo to hand out information about the new church work and canvas the apartment areas. The next day, Gospel Light had three visitors. Pastor and Mrs. Hurst have seen great things happening in the South.

At Lighthouse, the youth group has had a number of professions: seven last week and two last night. We have seen over twenty in the last few months and are able to see and pick up most of these young folks for church. God has provided married couples with strong Bible convictions to fill key spots in the work. Please pray for the discipleship studies as many of these youth are attending public school and are from non-Christian and broken homes. They really battle the worldly influences, but we have seen some progress spiritually in them.

The LORD has provided a bus, and some churches have given funds to refurbish the inside seating and painting of the outside, as well as fixtures, engine, etc. There is much to do, but the church looks forward to having it on the road in addition to the two vans God has provided.

We continue to have a strong military presence, and there is much study and growth biblically. The church is attempting to teach Bible at every age level, from two years and upward.

Our family is doing well and contribute a great deal throughout the church. Tammy is expecting our eighth child in November. We have been so blessed to be here and see what the Gospel can do in a challenging spiritual climate. Thanks to everyone who has been praying and sacrificing that we can be here. We know our supporting churches are committed to this ministry. We praise the LORD for you all.

Joyfully Serving,

Sean, Tammy, and Family
