Arvin & Marsha Devers

Serving with Baptist International Missions, Inc. in Scotland since 1990

April 2014

Dear Friends,

Marsha and I arrived back in Scotland on the 12th of April and we have not stopped running since.

For the next three months we will be here in Glasgow filling in for Dennis and May Snelson. Our first three days were spent learning how to maintain their house and ministry. We also bought a car during this time. The Lord provided a 2009 Chevrolet Lacetti with less than 15,000 miles for a VERY reasonable price.

The day after Dennis and May flew out to America our European field director, Ed Hembree, and his wife Carole came to spend five days with us. During their visit we received our 25 year pin from BIMI, went out to distribute Gospel literature, visited the sight of the 1742 revival at the "Preaching Braes" of Glasgow, The David Livingstone Birthplace, and took a trip to Loch Tay and Loch Lomond.

Since that time Marsha and I have settled on Troon as the area of our next ministry and have begun house hunting.

Photos: (1) Marsha with our new car at the sight of Houston Baptist Church, (2) Giving an invitation to church to a lady in Houston, (3) Marsha and I at the "Preaching Braes" memorial, (4-5) Marsha and I receiving our 25 year pins, (6) and Brother Ed and Carole Hembree freeze for this photo near Loch Lomond.

Servants of the Lord,
Arvin and Marsha Devers
