Parrys in Panama

July/August 2014

Dear fellow-laborers in the Gospel,

We send warm greetings from Panama. Once again we want to thank all of you for your prayers and financial support of this ministry. Our hearts are so encouraged by your participation in the Lord's work here.

Jay, Hannah and Lucas Brown were with us from June 16-24. Jay preached in all services, they provided special music, and Jay even got to participate in a baptism in a river in Cerro Cama. Frank baptized four young people: Yaravi and Nayari Alonzo, Mayuris Otero and Jose Montero. Jay preached on the river bank, Jay and Hannah provided special music and they got to participate in the round-trip walk of about an hour!

During their time here we discussed the transition period of their ministry when they come to stay. They presently have 58% of their needed support. The plan is for them to arrive in January and to use that month to settle in. They will move into our house, and we will rent. We will work together until the end of April. We then plan to move back to the States and report to our supporting churches during a year of furlough. We plan to continue in ministry and covet your prayers as we seek the Lord's will concerning the specifics.

We praise God for answer to prayer regarding our visas. We now have a one-year temporary retirement visa and should have a permanent one within the next three months! This will not have to be renewed, so we will be able to leave Panama and return at any time. Jay and Hannah should also be able to get a permanent "friendly-nation" visa when they come. These are tremendous blessings!

The Lord has also answered prayer regarding our drop ceiling in the Arraijan church. Two supporting churches have provided special VBS offerings (Burnham Baptist, ME and Peoples' Baptist, MD) for the purchasing and installation of the ceiling. We now have the materials and are working things out to have them installed. The second church also provided folding tables for two classrooms. We praise God for these provisions!

Our granddaughter, Jessica Roman and Brooke (a friend from Pensacola Christian College) are planning to be with us from August 18-25 and will be giving testimonies, ministering in music, helping with teaching materials, distributing gospel literature, doing visitation, etc. It will be a blessing for us and the churches to have them here.

Please **pray** for: God's blessing on an up-coming service in a home in Rio Hato (Aug. 11); our annual Pastor/missionary retreat in El Valle (Aug 4-7); the installation of our drop ceiling and for helpers for the project; a possible Grace School of Theology ministry here in Panama; salvation of souls; revival of believers; our counseling ministry; increase in attendance; Jessica and Brooke's time with us; and Jay and Hannah's deputation. Join us in **praise** for our visas, for the provision of funds for the drop ceiling and for ALL that He has done.

In His Love and Service,

Frank and Lorraine Parry
