"...upon this rock I will build my church..." MATTHEW 16:18

Luatimu's baptism in April

Dear Praying Friends,

Christ is not done building! Upon *this* rock, Savaii, He is building His church in the village of Asau. Hallelujah! In the month of April, **Luatimu** received Christ as Savior and was baptized and added to **Asau Baptist Church**. In May, **Melesala**, and his sons **Russell** and **Tolei'u** accepted Christ as Savior and surrendered to be baptized and added to the church this month. Praise God for His continued favor upon the work here in Savaii!

We have a major prayer request over the next six months. In December, we will be building again. Our second construction project here in Asau will be a multi-purpose building to house Sunday school, elementary school, and Bible College classrooms. It will also allow us to convert our current classroom space (the back section of the church building) into the radio station, a counseling office, and an indoor baptistry. We have nearly a third of the needed funds given already through the local church here. With six months remaining, I am confident that we will raise more than half of the needed funds locally, but we are praying for the Lord's complete provision in time for the December 8th ground-breaking and construction start date. Your prayers to this end are earnestly requested. Love offerings may be sent as follows...
