Establishing churches and mission churches with national pastors.

Centers to train preachers in scriptures and evangelism.

Training twice a year for all national pastors with our supporting pastors preaching and teaching Bible Conferences.

May 2014

Dear Praying Friends,

We are seeing the hand of God work in the ministry of IBOM. Souls are being saved, converts are being baptized, and lives are being changed by the power of the Gospel! We are thrilled that the Lord is doing such things, and we are even more thrilled that He would use us in his work.

National Pastors Effective in Soulwinning!

The Faith Outreach Baptist Church of Thika, Kenya has been working hard to reach people with the Gospel. They have been going out weekly into the highways and the hedges to bring the lost to Christ. In the month of April they saw 30 people saved! National pastors can get the job done!

The Lord Blesses Youth Rally!

Last month a few of our churches grouped together and had a youth rally at the Amagora Outreach Baptist Church in Western Kenya. One of our national pastors preached and the Lord blessed! The result of the youth rally was 15 souls saved!

Family Update

It is one of the great joys of my life to serve the Lord as a family. We are all happy and healthy. Savannah is learning to read, Micah is learning his letters, and Samuel has learned how to roll over. Please pray that the Lord would use our family for His glory!

Conference Update

We are still making preparations for our 2014 IBOM Kenya Conference. We have currently raised \$3,500 which leaves us lacking \$6,500. We are praying that 33 churches would donate \$200 each to meet this need. Would you prayerfully consider giving to this need?

The need is great, but so is our God! We thank you for your prayers and financial support! Truly we are "striving together for the faith of the gospel." Phil 1:27
