Dear Friends in Christ:

"Onward Christian soldiers, marching as to war, with the cross of Jesus going on before. Christ, the Royal Master, leads against the foe; forward into battle see His banners go!"

This hymn written in 1865 seems contemporary in our life. Bonnie and I started on our journey many years ago and we are still marching on and some times it does seem like a war. However, we want you to know that we are energized about the battle and pleased to see our Leader guiding and changing our lives with new opportunities of service. He definitely is opening new doors to serve others.

We are excited to share with you the latest news concerning our grandson, Stephen. I am sure that most of you are familiar with his battle with a cancerous tumor in his brain stem. He had an MRI last Wednesday and the results show that his tumor has SHRUNK by 30%. We are more than excited and greatly encouraged. Thank you for praying and please continue to pray for his complete healing. We are debtors to people all over the world who have prayed with us and or us.

I find it exciting to walk with the Lord, therefore I am hesitant to announce any of our future plans because they seem to be unfolding in front of us as we travel this journey of faith. As we continue to march forward, we will always be sharing Christ with others. Preaching, teaching, and mentoring are all apart of our daily lives and we are being blessed.

One more time, thank you from the depths of our hearts, thank you for continuing with us with your prayers and financial support. Honestly, we cannot go forward without your help. THANK YOU!

In Christ,

Ed and Bonnie Gibson
