[Missionaries in Mexico]

June 2014

Dear Pastor and Church:

Once again sharing with you the great blessings the Lord has given us in these past two months. As we work together as Co-labors in the Lord, My wife and I here on the mission field, and you holding the rope at home, together we can make the difference winning souls for the Lord.

It's exciting to see the blessings of God and to see the souls being saved and baptized. This is what its all about. Our churches are doing wonderful and getting ready for Vacation Bible Schools next month. Our public schools here in Monterrey don't let out until July 18th so our VBS are in the month of August.

In the month of May we graduated **thirteen from the New Life Baptist Seminary.** They were so excited to finish their 3-year course. Our prayers are that God will use each one of them as they decide to do the will of God in their lives. Thank you Bro Steve and Nancy Proctor for coming and teaching on leadership and also bringing a challenge to our graduates. We are excited to see what God has for us this coming September.

We had our 35th annual Pastors Conference the last week in June and God blessed in a great way. Over 12 men surrendered their lives to the ministry. Bro Mike Cox and Bro Tim Ellis were our main speakers and God really used them to bring the message our people needed.

We are getting ready to start a **NEW CHURCH** in the city of Saltillo, Coah. (40 min from Monterrey) We are looking for a house to rent to begin services. As God supplies we will buy property and start building a building. Bro Juan Murillo (my nephew) and his wife and son, will be moving next month to begin this church with us. Please keep us in your prayers. It's always a **BIG step by FAITH,** when you start a new church because it involves so much, but we know God will supply the need the same way he did for the other 26 churches we have started.

Even in the Valleys, God is Good! We are New Grandparents again. Little Levi Alexander was born on May 26th weighing 3.8 than went down to 3.1. He's been in the NCIU for 45 days and this week they did a Gastro esophageal Reflux surgery. He's still in the hospital recovering from his surgery, but hopefully we can take him home soon. Please keep our daughter Veronica and Beto in your prayers. She has served the Lord all her life, and she knows God will give her the Victory once again.

My wife and I thank each one of you for your faithful support. We pray everyday for you and thank the Lord that you continue to hold the Rope even through rough times. One day we will see all the fruits through our giving. Keep us in your prayers. Pray for our Health, our support and our personal needs, God knows them. May God richly bless you is our prayers.
