MISSIONARIES TO SAMOA
*Testifying... repentance
toward God, and faith
toward our Lord Jesus Christ.*
ACTS 20:21
PRAYER LETTER
OCTOBER 2015

Dear Friends,

As our whirlwind trip winds down, Emi and I are feeling blessed beyond measure at what the Lord has done. Our oldest son, Michael, was married in a beautiful ceremony in Tennessee. He and his wife, Elizabeth, could not have asked for a better day. Everything went perfectly! Elizabeth and her parents, Steven and Roxanne Chisgar, did an amazing job selecting and preparing the venue and menu.

The picture above is from the wedding ceremony and the two to the right are from the reception. Among all the rich blessings of the day, one that Emi and I especially cherished was being together with all four of our children in one place at one time. Those moments are few and far between. In the first picture to the right, you can see our children Joseph, Salvatore, and Carolyn in the middle three positions. Our unofficially adopted son, Aione, is in the farthest left and Michael's best man, Sam, is the farthest right. The picture below shows Elizabeth's bridesmaids and her brother Clint in the middle. Elizabeth is the farthest right.

A week after Michael's wedding, Emi and I attended another wedding in Ohio. Miss Hannah Peacock, who served with us in Samoa last year, was wedded to Andrew Perkins in a very lovely ceremony at Broadview Heights Baptist Church. I did not get pictures of the event but it too was beautiful and reunited us with some dear friends. While in Ohio, we also reported in to four different supporting churches - Bible Baptist Temple, Old Time Baptist Church, Bible Baptist Church of Richfield, and Lighthouse Baptist Church. All four churches received us enthusiastically and blessed us abundantly. During our time in Tennessee we also got to report in to Lakewood Baptist Church and they were equally gracious.

While in the U.S. we were also able to get our Samoan Bible onto smart phone apps (both apple and android) thanks to Brother Larry Pierce (Online Bible) in Canada. In Samoa, people may not have indoor plumbing, a regular means of income, or walls on their house, but they are sure to have a smart phone. Now they can simply search for the

Online Bible app and load it for free and then add the free 1887 Tusi Paia (Holy Bible) file. With that, they will have a Samoan Bible and an advanced search and research tool at their fingertips.

Thank you all for your prayers for our family and ministries.
