Owens Nov.-Dec. 2015 News Letter

Dear Wonderful Praying Friends,

We trust everyone has a wonderful time with family and friends this Christmas! Most of all, that we don't forget the true reason for the season and that is Our Lord Jesus Christ. We had a great time seeing family and friends in North Carolina and Florida.

Ministry & Church Plant

November has been a very full month for us as we have been traveling and presenting the work to Argentina in many churches. There were three days in early November that we were in three different states! We have seen the

Lord go ahead of us and bless our meetings. We have a nearly full schedule between January through May 2016 and we are trying to schedule meetings for the rest of the year. Please pray that we can continue to fill our calendar and that more churches would decide to partner with our ministry.

The Sundays that we don't have a scheduled meeting we have been able to help with a new church plant for Hispanics here in Spartanburg, SC. My father-in-law started the church with their first Sunday on November the 8th. My wife and I had been out visiting months before the church plant and visited a lady called Esperanza. Ever since the first Sunday, she has been faithful to every service and bringing visitors with her. Since the church has started we have been able to go out on Saturdays passing out flyers and telling others about Jesus. When we are there, my wife has been playing the piano as I lead the music and I have taught Sunday School a few times. Please pray for this new church plant and that God would add to His church.

It's a Girl

We are very happy to announce that God has blessed us with a little GIRL! We are very excited and can't wait to meet our little princess. Please pray for her development and for us as we prepare for her birth. Hannah has been doing very well with her pregnancy and not been sick, but please pray for her strength and health as we as travel and are on the road a lot. We are looking forward to meeting the newest member to our family in April. Thank you for your faithful prayers and financial support. May God richly bless you!
