These are some of the highlights in our life since our last communication.

- Husband and wife saved.
- Five different churches.
- Sixteen services.
- Finished our Bible study in Colossians.
- Met with a College class on Homiletics.

I really love preaching and connecting the Bible with everyday life. Actually, this is a real burden of mine. The fact is, I enjoy talking with the students about preaching being a life that we live and not just delivering sermons. Who in the world would enjoy being a professional sermonizer?

Thanks again for standing with us in the life that God has given us and we surely want to do it with Him. Without you and your help it would be impossible.

In Christ,

Ed & Bonnie Gibson
