

THE PAPE FAMILY SERVING IN THE DOMINICAN REPUBLIC

Dear praying friends,

I pray this letter finds you all well. We are very grateful for all of your prayers and support for us over this last month. Thank you especially for those of you who helped us to get our vehicle back on the road! Also, thank you for your prayers for our family's health. I think the Zika plague has finally passed from our house, and we can get back on our feet.

We've had a great June with much activity. Throughout the spring/summer, we have had teen activities every two months along with four other churches. In June, we had one at *Iglesia Bautista Resurrección* with Pastor Wellington Castillo. We had one of the best turn-outs of teenagers and a good atmosphere of spiritual encouragement.

We also had the privilege of adding a new van stop to our transportation ministry.

Our daughter Rebecca and another teen from our church, Perla, are the captains and began visiting this new area that is filled with kids. The first week we went thru

Perla and Becca with their driver Fran

to pick up, and not a soul came. Not a bit discouraged, the girls went back with some other teens to visit in the area the following week. That Sunday we picked up 29 brand new visitors and brought them to church! We had 9 kids pray to be saved, and Rebecca is very excited about her new ministry. Praise the Lord!

Thank you again for all that you do for us. God bless you all!

In His Service,

Chad Pape and family
