## Serving in **MEXICO**

July - September 2017

Home Church  
Faith Baptist Church  
Bath, SC 29816

Greetings in Jesus' Name!

In the days before the soon coming of our Lord Jesus to receive us unto Himself, I do pray each one of you can say that He has been more than kind and gracious to you and your loved ones! As for Barb and I, He has not given us what we deserve but has blessed us and we can NEVER repay!! **God is good!**

The latest news on Papi Juan and Manuel: They are still on this side of eternity. Health wise, they are both very frail and both give testimony that they know the Lord Jesus as their Saviour. God has chosen to give them more time with their family and friends. **God is good!**

A virus has hit of our folks and many in our local area and it has been a bad time of sickness. Many have been hospitalized but I have not heard of any deaths resulting from it. Our home was not spared either and we were some very sick pups for a spell. It has been a week and we are recovering just fine. **God is Good!**

As far as Barb and I leaving for a short furlough before the end of this year, it looks sorta doubtful. I can see the door that says furlough but the One that holds the key that will open that door has not chosen to insert the key and unlock the lock nor open the door yet but Lord willing, we will definitely be on furlough next year, **Lord willing!**

My son Tony is in the hospital with a very bad infection in his remaining foot. Doctor wants to amputate but Tony has persuaded him to try everything possible before amputation. His prognosis at this point in time does not lean in Tony's favor. I would appreciate your continued pray for him. **God answers prayer!**

Project time! I want to complete the kitchen/dinning room in our other building and also complete the other bedroom and a bath and a half. Tile for kitchen/dinning room and bathrooms, laminated flooring for bedroom and bathroom fixtures, refrigerator – stove – sink – cabinets - table for kitchen, light fixtures for all, ceiling tile and paint for walls, receptacles and light switches, ceiling fans. This project was started years ago but funds and interest stopped and so did the project. The choices I have are to ask God and present this to God's people/our supporters. My *guesstimation* to complete this is between \$5,000 to \$7,000.

Thank you for praying for us, the Lord's work. Thank you for your faithful financial support because without it, we could not continue serving the Lord Jesus here in Mexico.
