July 2018 Prayer Letter - For several years, we have worked and prayed to reach more children. In Sept. 2015, Andrew moved back to Ireland and became the youth pastor here at Hope Baptist Church. We thank God for allowing Andrew to work with us and to help further the vision of reaching more and more children with the gospel.

This summer we hosted 3 youth camps to reach children: Summer Bible Camp, Sports Camp and Art Camp. It takes much work to plan and organize for these events. It also takes much hard work to get the word out so that we can reach kids outside of the church. We worked very hard, put ting up a huge banner, passing out 18,000 flyers advertising our 3 youth camps and posted pics and video presentations on the website and social media.

Holiday Bible Club

Not only is there a lot of hard work put into getting ready for the summer outreach camps, but there is also a lot of prayer. God answered our prayers. He sent 2 good evangelists from NBT to help run the camp. God gave us more than the number that we prayed for. We prayed for 30 and God gave us 35 kids. God also answered prayer in seeing children reached with the gospel. 3 children were saved and 2 other children received assurance of their salvation. The teen component was well attended and we saw 2 teens saved.

Sports Camp

Our second camp of the summer was Sports Camp. We were blessed to have our daughter and her husband, a youth pastor, bring their youth group on a missions trip to Ireland. Their main focus was the Sports Camp which was well attended and ran smoothly. The children that came heard the gospel. One child was saved and 2 others received assurance of their salvation. The saved were also challenged to grow in Christ. There were some good decisions by the children of our church in this area.

It is amazing how God sends just the right people at just the right time. A man, who came with his wife as chaperones, ran a paint store for years. He was a great help to us in organizing and managing the teens to help us paint our auditorium and some other smaller paint jobs that needed to be done. To God be the glory, great things He hath done!
