Dear Friends,

After weeks of going back and forth and working on one building that in the end didn't work out, we finally have good news! Praise the Lord we have signed the contract and have the keys for a new church building. We are rejoicing in God's timing and feel like the location is where He would have us to be. We've already been able to make contact with some of the people and the word is already out that we are planting a church in the area. Please pray for us as we plan to begin English classes in the next few weeks. Hopefully through this ministry we will be able to make new contacts and have our first service in the building shortly.

We have the privilege to be involved in a new ministry that has started in the city of Córdoba. It's an online Bible Seminary to help better equip those called to the ministry. We currently have two couples and two individuals studying and preparing themselves. We are excited to have a part in training nationals here in Argentina.

One last thing we would like to mention and this one is very near to our hearts. Since arriving in Argentina we've had trouble with social workers concerning our daughters. We thought we had answered all of their questions but we've

been called in for another meeting in two weeks. Please pray for us to have wisdom in dealing with this situation and to fully rest in the Lord. As you can imagine it's a very delicate situation and emotions are high. The Lord has brought us this far and we are confident He will see us through.

Thank you for all the prayers! We hope to have wonderful news of mighty ways the Lord is working here in our next update.

In Christ,

David, Hannah, Ingrid, & Zoey Owens
