World Wide New Testament Baptist Mission gets together the third week of June each year for the annual Family Fellowship Week. This year we met at Memorial Baptist Church in Ocala, Florida. Pastor Mike West is one of

our board members, and the church family worked diligently to make the week a wonderful success. A number of our missionary families were there, and most of

the board members were able to attend as well. This week is always a highlight in my schedule.

Dr. John O'Malley, our General Director, put together a great program based on Hebrews 11. Several preachers used one of the men mentioned in the chapter to teach us a lesson on faith. We were blessed by the various messages.

We close the office during this week so that our staff can attend the meeting. This gives them time to interact with the families that they serve through the home office. We are blessed to have a staff that is dedicated to serve these faithful missionary families. When you consider the whole picture it is amazing how many people work together to

make world evangelization possible. We feel so honored to labor together with these servants of Christ. Day after day these folks help lessen the load that the missionary families are responsible for. Please remember them as you pray for your missionaries.

Darleen and I will be in Montana most of July, and in Alaska most of August. We will be visiting a number of churches and missionaries during these two months. The Lord willing we will return to North Carolina in September.

We want to thank you for standing with us this month. Your faithful support is much appreciated. We meet so many of you week after week and you remind us that you pray for us regularly. I cannot tell you how much we are blessed by your kindness.

As you pray, please remember the whole World Wide New Testament Baptist Mission family. The mission has now been serving churches for thirty-eight years. We praise the Lord for leading Pastor Bill Wingard to establish this work, and we are grateful for his continued ministry with World Wide.

Dear Faithful Friends,

Thank you so much for standing by World Wide New Testament Baptist Mission for another month. We just concluded our thirty-eighth annual Family Fellowship Week. One of our board members, Pastor Mike West, hosted the meeting this year at the Memorial Baptist Church in Ocala, Florida. Dr. O'Malley put together a wonderful schedule that concentrated on Hebrews chapter eleven. Each preacher did a wonderful job, and we have been challenged by the faith of those that have gone before us. It appears that going and giving will require the exercise of faith beyond what we have known in recent years. Let's pray that our Lord will increase our faith in these days.

Your kind contribution to the office of World Wide goes to assist us in carrying out our services to the missionary families laboring with this agency. Presently, we communicate with some five-thousand churches and individuals. Of these, only about fifty send gifts for the office operation. Thank you for being one of them.

If we can assist you in any way please feel free to contact us anytime. We are so grateful for a staff that stands ready to serve you whenever possible. Please don't forget to pray for this ministry as you approach the Lord in prayer.

In His Service,

Danny A. Whetstone
