

World Wide New Testament Baptist Missions

assisting churches since 1971

July 2008

Dear Faithful Friends,

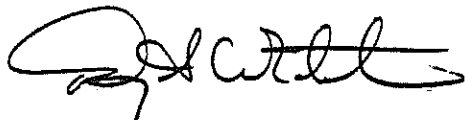

In I Corinthians 3:9 the Bible says, "For we are laborers together with God." I would like to think that anyone of us would continue faithful if we had to serve all alone. However, there are so many lives involved with every ministry. No one can accomplish the great commission alone. Thank you for choosing to labor together with World Wide New Testament Baptist Mission. Your kind gift is a great blessing to everyone associated with this ministry.

We count it a great privilege to assist local churches in getting their missionaries to the mission field. We have always been convinced that God calls and sends missionaries through the church. We are honored that we can assist you with this wonderful task. If there is anything that we can do to make your job more effective please do not hesitate to contact our office.

I would like to encourage you to visit our website (www.wwntbm.com). You will get a great deal of information about our mission, and the missionaries that are either on the field or deputation. If you could use any of these missionaries in your church please either contact the missionary or the office.

May the Lord bless you with another month of faithful service to our Lord.

In His Service,

Danny A. Whetstone
