

# THE KINOSHITA FAMILY

church planting missionaries to tokyo

Sept. 2008

Dear Friends,

We arrived in Japan in June and immediately began looking for an apartment. In the past three months, we have moved three times but were finally able to rent an apartment in Tokyo. Last week, our daughter Charis started kindergarten. She misses her friends in the United States but has found many friends here.

We have begun having services in our apartment, and three people have already accepted the Lord as their Saviour. Praise the Lord! Since our apartment is only 500 square feet, we really need to find another place to meet. Please pray with us that we will be able to find a place to begin the church in Tokyo. In the past eight weeks, we have found many places that are for rent, but, after speaking with the owners, they refuse to rent to us when they find out that we want it for a church. We would like to find a place near the Shibuya Train Station and would like to have the opening service in a few weeks. We will be printing 1,000,000 invitations to our church for our opening Sunday and for one other event this year.

We believe that when God's people answer His call God will show Himself faithful, and we are trusting the Lord to help us reach the people of Japan.

We are thankful for each of you and for allowing God to use you as His channel of provision. We do not take for granted one prayer, one dollar, or one kind note! We have the best group of supporting churches that a missionary could have! May the Lord bless each of you as you continue to serve Him.

In Christ,

GOSPEL OF CHRIST,
