Dear Pastor & Faithful Friends,

The crusade was an exciting time of service and the Lord blessed in every aspect. The preparation at times seemed to be endless, but it was worth it all. The devil fought from the start. A truck rear-ended our car (no one hurt), I had a motorcycle attempt to pass me while turning and I hit him (no one hurt) and then I ran over a goat (the goat wasn't hurt!) If that wasn't enough a stage two tropical storm came through causing schools and prisons that were scheduled for the day to be canceled. Praise the Lord, the storm passed and the next day 699 souls were saved in one public school!

Crusade Team and 150 National Pastors

A team of 37 pastors, wives, laymen, and Rock of Ages missionaries, preached and passed out 370,000 tracts and 35,200 Bibles in seven (7) schools, eight (8) jails and fourteen (14) church services from Bacolod City to Manapla, then back to Manila and Quezon City. Because of your prayers and the gospel being preached; four thousand, eight hundred, and seventeen souls (4,817) came forward to receive Jesus Christ as Lord and Savior. I'm sure thankful you were praying for us. What a Great Crusade!!!

Have a Blessed Christmas and Happy New Year.

Because of Him,

Larry/Diane Stikeleather
