

World Wide New Testament Baptist Missions

assisting churches since 1971

January 2009

Dear Faithful Friends,

Those of us that are involved with World Wide New Testament Baptist Mission are always aware that you have many things clamoring for your attention and support. It makes us the more grateful that you have chosen to help carry the financial load of our home office. Thank you for standing with us for another month.

I was recently in a missions conference with four of the missionary families that have chosen to use our services. I must confess that I was very proud of these servants of Christ. There is every reason to believe that the Lord will use them greatly on the mission field. It is for folks like these that we exist. It is our joy to serve you and the missionaries that God has called into service through your church.

You might not know all of the missionary families that we are associated with, but your contribution to the home office is a gift to every one of them. Let me assure you that you are investing in families that have dedicated themselves to serve the Lord Jesus Christ. Please take a few minutes sometime to take a look at them on our website (www.wwntbm.com).

My wife and I traveled to Myanmar (Burma) last month to visit a WWNTBM missionary, Abraham Ram Lian Uk and his wife. Brother O'Malley, our General Director, will be in Cuba this month with Brother Roviroso. It is always a blessing to visit these missionaries in their element. We never cease to be amazed at the specific calling of God to put the right people in the right place.

If we can assist you in any way please never hesitate to call on us. Again, we appreciate your kind gift to this ministry.

In His Service,

Danny A. Whetstone
