Dear Pastor Rowell,

Thank you so much for your help with our trip to Myanmar (Burma). The Lord blessed in many wonderful ways with the conferences. We had planned to have a five day conference in two different places, but it did not work out exactly as planned. Because of the airline changing the schedule we had a conference up north for a week and only a two day conference in Yangon (Rangoon).

Seventy-one churches were represented in the conference up north. During the day we had more than one-hundred and seventy people, and at night, more than three-hundred. I was told that I could preach three times each day, and to take an hour and a half to an hour and forty-five minutes each time. However, I was not to feel restricted by the time limit! They gave me the liberty to take two-hours each service if needed.

In Yangon, we preached to a mixed group of college students and missionaries. This was the meeting that only lasted two days. The services were also a little shorter than those up north, and I only preached twice each day.

Revival Baptist Church was our meeting place in the north. These men are faithful, humble servants of Christ, and it was a blessing to spend some time with them. Thank you so much for making it all possible.

In His Service,

Danny A. Whetstone
