August 4, 2009

Dear Supporting Friends and Prayer Partners,

What a wonderful day to be serving a Mighty God! He is in complete control and moving us toward His soon coming! Most any day now we will meet Him in the air.

Since our last letter, so much has happened! I will just give you the high lights due to time and space. On July 2, Beacon International Baptist Mission made a parallel move with Bethel Baptist Mission and they became a part of BIBM. Dr. Kenneth Ream, the Director of BBM became a member of our Advisory Council and their missionaries became a part of the BIBM family. This has been a timely move and much has been put into it, but I think the transition is almost finished. This added 5 new families with BIBM and enlarged our international outreach to Africa, Hawaii and the Philippeans. This will require a lot of work for us next year in traveling to these new fields and meeting the missionaries, but we are anxious to get it done.

We also added the Jonathan Keeling family to BIBM and look forward to working with this good family in helping struggling churches, retired pastors and helping in building projects. Bro. Jonathan is a 2<sup>nd</sup> generation missionary and he and his wife, Jodi have a 15 month old son, Jon Caden! If you want to make a good investment in some struggling churches and servants in America, here is your chance to help the Keeling Family raise their support and get the work moving. He is already working and helping others as he raises his support.

I just returned from Honduras, Central America. Pastor Gene Wood, Pastor Mark Burford and Missionary David Wise accompanied me on this trip. We went down to examine the work of Bro. Yery Martinez, a national Honduran with a heart to reach his people. His story is the best I have ever heard and his testimony is just as wonderful. After we saw what he was doing and discovered he was doing it with less than \$300 per month, our hearts broke. Please, for the sake of precious souls, let me encourage you to invest in an this young national missionary that is doing the work by faith. I have never seen such an opportunity in all my years of missions. BIBM has accepted him as one of our missionaries and we will work beside him and help him in every way possible to get training, much needed funds and prayers. Rev. Finley Cutshaw, Pastor of Conerstone Independent Baptist Church in Rocky Mt., NC is his pastor and recommends him highly. Brethren, please, let me encourage you to get on board with this young man. We were only with him for 2 full days and 3 nights and we saw 4 souls saved because this young missionary had such a burden for his people. I wish I had time to share his testimony with you.....outstanding and it will grab your heart! God has His hand on this young man for sure!

As you can see this place has been jumping over the past 3 months and I do not see any let up right on into 2010. Door after door is opening and we are trying to be faithful, discerning, and obedient as they open and bring honor and glory to our Lord Jesus Christ.

Thank you everyone, for your faithful support and prayers. God has been good to us and because of your parternring with us, we can do what God has called us to do. Let me encourage you to keep the faith, preach the Word, throw off on the Devil and Praise the Lord till we see Him face to face!

*Jerry & Christine*
