WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

We made it back East toward the end of August. After leaving California we made our way to Montana where we visited a few churches in Laurel, Roundup and Lewistown. The Jetts started a church in Roundup several years ago. We did not know that they were there, but we met them on deputation about ten years ago. This is just one place among many that needs good churches in the West. We also took a few days off at a ranch in central Montana. The O'Malleys as well as the Joe Hurdt family met us there for some vacation time.

On the way home we visited Pastor Peter Ostrander and the Liberty Baptist Church in Newton, Kansas. These folks have faithfully supported our ministry for more than twenty years. It was a joy to visit them again.

We also stopped off for a meeting with Pastor Ray Buchanan and the Solway Baptist Church in Knoxville, Tennessee. This church has also supported us for many years. We praise the Lord for a good meeting with them, and for their kind gift to help the preachers in Myanmar.

Speaking of Myanmar, the plans have been made for the conference with the pastors. Three other men will go with me for the meeting this year. Would you pray that God will bless this effort to His glory? Pray that each preacher will have the very words to say

that will encourage these faithful servants of Christ. Last year the conference building was not finished. The Freedom Baptist Church in Pigeon Forge, Tennessee gave the money needed for the project. A few days ago we received word from Pastor Mang that the project is almost complete. The Lord willing we will hold the meeting in that building in December.

Once Darleen and I arrived home in Kings Mountain, we had two days to unpack so that we could pack again! We then made our way to the Emmanuel Baptist Church in Swansboro, North Carolina. It was a blessing to be with Pastor Wakefield again, and God blessed with a good meeting. My pastor, Dr. Bill Wingard, came over Monday and Tuesday night. It is always good to see Pastor and Mrs. Wingard. Actually, several folks from Calvary Baptist in New Bern attended the meeting.

God has been so good to watch over us. Thank you so much for praying. On the trip to California we drove 15,057 miles without one moment's trouble. We are constantly aware that you not only support us financially, but you pray for us. We appreciate your kindness, friendship and prayers.

It is now full speed ahead until December, and then on to Myanmar. Thank the Lord with us for a good measure of health and continued safety in travel.
