WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

The Lord has blessed us with some wonderful missions conferences recently. We have traveled in North Carolina, South Carolina, Virginia, New Hampshire and New Jersey. We enjoyed safe travel. It is so encouraging to see folks get

behind the effort of world evangelism. If you have committed to faith promise missions, please pray earnestly that the Lord will provide through you to meet the needs

of those that represent us in regions beyond. They are counting on us. We are seeing a very good response in the conferences, but I can tell you that actual giving is down. Remember, most missionaries are losing income with the low dollar and cannot afford to lose support at the same time. God bless you for your faithfulness.

The Lord-willing I will be leaving for Myanmar (Burma) on December 1st, and will return on December 19th. I covet your prayers for a successful journey with a small group of pastors to the land of Adoniram Judson. We will be preaching in a Bible College in Yangon. It is a blessing to be with these students that are being trained to return to various places around the country to proclaim the gospel of Christ. Thankfully we get to preach in English at the college. There will also be opportunities to

preach in several churches in Yangon and Mandalay. However, the main purpose will be to teach national pastors in the North. Most of these men will come from the Chin State to meet with us in this building. Last year we held the

meeting in a church that was a bit small for the conference. Thanks to Freedom Baptist Church in Pigeon Forge, Tennessee this building has been

finished in time for us to meet there this year. Pray that the Lord will use every service to be a blessing and help to these humble servants of Christ.

Darleen and I want to thank you for your faithful support of our family and ministry. It is indeed a pleasure to labor together with you in this great endeavor to share the Word with the world.

I also appreciate the opportunity that the Lord has given us to labor with many wonderful folks at World Wide New Testament Baptist Mission. Please pray that the Lord will continue to use the mission for many years to come. If we can assist you in any way do not hesitate to call on us.
