

World Wide New Testament Baptist Missions

assisting churches since 1971

November 2009

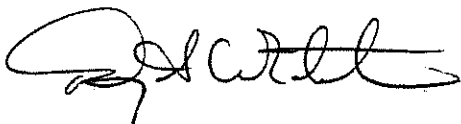

Dear Faithful Friends,

On behalf of the World Wide New Testament Baptist Mission family, I want to thank you for your continued support of our agency. The Lord has been so good to our missionaries through these difficult times. Income for the missionaries has been down this year across the board, and it has created support problems for everyone. Faithful folks like you make it possible for us to continue, and for these missionaries to remain on the field.

In spite of all that is going on in our world, we are still seeing applications come in for missionary service. We have some wonderful families on deputation right now. If you could use any of these missionaries in your church please let us know. You can find them and their fields of service on our website www.wwntbm.com.

We are always aware that you have many options for your missions dollars. We are so appreciative that you choose to support this ministry. We are here to serve you and your missionaries.

In His Service,

Danny A. Whetstone
