Dear Pastor and Friends,

This January began our 15th year of reaching souls in the Philippines. Our goal for the year 2010, is to open even more prisons and schools. To be able to accomplish this goal we're going to need even more volunteers from the local churches. As we've traveled to the churches and preached in their conferences, they've said, "Put information together that we can take to our churches and there teach our people about starting a prison ministry in our area." To accomplish this we've developed a workshop for the churches that are presently helping us to reach souls. The workshop is entitled **Partners Together**. This series of booklets contains helpful information on the different phrases of our ministry in the Philippines, such as: **Challenge to Partnership, Starting the Prison Work, Setting Up Field Offices, Juvenile Outreach, Starting the Prisoner's Bible Institute, Establishing & Maintaining a Volunteer Base, Volunteer Training, and Reaching Asia.**

In February we conducted our first workshop with pastors from Manila, the Visayan region and Mindanao. The meeting was a tremendous success and already several new pastors want us to come and teach this series in their churches, Amen! Please pray with us as we are making plans to get the booklets, tracts and teaching material ready for distribution into the different regions of the Philippines. There's a substantial cost involved in purchasing paper and getting it printed, plus the shipping. Please, pray about **partnering together** with us by sending a special love offering marked, **Philippine Partnership 2010**. The Filipino inmates, pastors, and I want to thank-you for your prayerful consideration about this matter.

We can't thank you enough for the privilege of co-laboring together with your church. Together we are reaching souls for the cause of Jesus Christ in the Philippines.

Because of Him,
