Dear Pastor and Friends,

In our last letter we mentioned the 'Partner Together' program that has been implemented throughout Manila and Manapla. God has greatly blessed and several churches have incorporated a weekly schedule to allow faithful volunteers to work in the prisons on their island. *Bethany Baptist Church, is excited to report that Bro. Bobby Winwindi has surrendered and is laboring full time in the prisons with us through his local church.* Isn't it wonderful to see the Lord move on the hearts of men and women and then to see them response with assurance and commitment to their calling.

Bro. Mike Vanhorn and I recently made the trip to the Philippines for 'Youth Quest Week' in Cagayan de Oro., Mindinao and for work at my place in Bacolod City., Negros. Pastor Dimver Andales and Lapasan Baptist Church had been praying for the youth in their church and those young people in the city. Bro. Vanhorn reported that for three nights the jeepneys were loaded with young people from the different villages. Over eleven hundred young people packed the church each night and at the end of the week 605 souls had made a profession of faith in Jesus Christ, Amen! **Praise the Lord, He's still in the soul saving business!**

The Lord is opening so many prisons and schools across the islands of the Philippines that we've decided to make Manila our headquarters for the main office and distribution center. The office is now located at Bethany Baptist Church on the seventh floor.

**Please pray with us about these three immediate needs:**

**1. We need to locate a storage area with reasonable monthly rent and easy access for the large delivery trucks. 2. Pray for the finances to purchase Tagalog Bibles, and to get tracts printed. 3. Please pray for the purchase of a good copier; the cost will be \$2,500.00.** We've been going out and getting our PBI lessons copied, but with the ever increasing enrolment it's not cost efficient.

Thank you for your faithful prayers and monthly support.

Because of Him,

Larry/Diane Stikeleather
