Dear Pastor and Faithful Friends,

Praise the Lord for His goodness to Diane and Me. We are both doing very well, thank you for your continued prayers for us. On July 11th we celebrated our 40th Anniversary, praise the Lord for giving us these many years together. May the Lord give us many more years' together and good health to service Him.

The work in the Philippines continues to grow; two more prisons have been opened up in the past month. Also the Prisoner Bible Institute has increased its enrollment to 2141, Amen!!

The last three years we've been actively involved in building up our base of volunteers and as of now we average 96 men and women going into the prison from our local churches. A few weeks ago I got this e-mail that I want to share with you.

I'm Pastor Jun O. Torres, Pastor of a church in Catanduanes Island. One of the ministries God entrusted to us is Radio Ministry. In our radio ministry, I'm glad to share that number of souls got saved; some got baptized already using the Rock of Ages Prisoners Bible Institute lessons. It's not hard for me to preach in radio because I just read clearly and slowly the Rock of Ages Tagalog lesson's produced. One of the converts is now a Bible college student. All the lessons are great, I like the emphasis on Repentance, illustrations, the outlines and its standard using KJV. I am also using the Rock of Ages lessons in our church! My prayer is that soon we can open a jail ministry in our area. I will also continue to use the Rock of Ages lessons in our Radio Ministry. Our Radio listeners give us feedback that the messages are great. Please continue to produce and extend to others that material that already becomes a blessing to us. It is a good material for discipleship not just for prisoners. Thank God for Rock of Ages Prison Ministry. To God be the Glory!

Thank you for your financial support and prayers, until next time, God Bless.

Because of Him,
