Dear Faithful Friends,

On behalf of World Wide New Testament Baptist Missions, I want to thank you for your continued support of this ministry. Like everyone else, we are drawing the belt in as tight as we can to save money. Your financial support is vitally important to the operation of our home office. We are fully aware that there are a multitude of places for you to invest your missions' dollars. When you give to this ministry it goes to help service some ninety missionary families in more than forty countries around the world. We appreciate your support, and we covet your prayers.

We are grateful to the Lord for sustaining our families all over the world. Each of them have faced over the last few years the devaluation of the dollar, and the loss of support. These families have been extraordinarily faithful in spite of these difficult times. This speaks to the goodness of our great God, and the faithfulness of these servants who know they were dispatched by the call of the Holy Spirit.

It is a blessing to see new missionary families out on deputation. If you can use any of these folks, please contact the office, or check out who they are on our website ([www.wwntbm.com](http://www.wwntbm.com)). You will find a great deal of information about our mission's family on the website, including prayer letters from our missionaries.

If we can be of any assistance to you, please do not hesitate to call on us.

In His Service,  
Danny A. Whetstone
