WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

Darleen and I are grateful to the Lord for traveling mercies. In some seven weeks this summer, we drove more than eighty-five hundred miles. We were blessed to visit the

Smith's in Commerce City, Colorado. They are involved in church planting in the West. Presently they are assisting their son with his ministry while visiting churches in

the area. The Lord has now blessed them with a great piece of property. Pray that they will be able to put a nice building on that land in the not to distant future.

We also had the opportunity to visit several churches in California. For the past couple of years we have attempted to introduce churches in the West to World Wide New Testament Baptist Mission. Pray with us that the Lord will open doors for World Wide missionaries to raise support in some of these churches.

Speaking of deputation, we have a good number of missionaries that have a burden to begin ministries in areas of the world that God has called them. You can find all of them on our website (www.wwntbm.com). Please pray that God will speed them on their way,

and protect them as they travel many miles between churches raising support.

When we were in Southern California we had the joy of visiting with Miss Elsa Ramirez.

Miss Elsa serves the Lord in Mexico, and we praise the Lord that He continues to use her in the local church there. She has served in Spain, France, and

Mexico. The Lord has used her in each work. She is excited about the ministry that she has been involved in for several years.

We want to thank you for standing by us for another month. It is encouraging to know that so many believers are praying for us on a regular basis. We also understand that you have only so much money for missionary support, and we never take your kindness to us lightly.

Pray with us that the Lord will use us in missions conferences and keep us safe as we travel. We want to see folks saved, and servants called to preach the gospel to regions beyond us. May our Lord bless you for your interest in world evangelism, and I trust He will use you in your mission field.
