Dear Pastor and Faithful Friends,

This is a very busy time of the year in the Philippines, two weeks ago Manila City Prison host their annual Music Festival. The warden and officers invited Dr. Gerald Nable and Bethany Baptist Church to bring their 1<sup>st</sup> year college students to come and provide the music. In the pictures you'll see that it was a tremendous success.

The next big event for all the prisons throughout the country is Nacocow Week. It's a week where we provide humanitarian ideas such as soap, shampoos, laundry soaps, toiletries, tooth paste and tooth brushes, pandasal (bread) and juices. During this week there are games played and skits done by different teams chosen among the inmates. But above all it's a great time to have several Bible studies and preaching. By the time you get this letter the week will be almost ready to begin, so please pray many souls will be reached for Jesus Christ in the prisons.

This past Monday, November 1<sup>st</sup> was all saints day; a day where the families of loved one who's passed on gather in the cemeteries will food and prayers for the deceased. It was of the saddest things to witness, a multitude of people with no hope. Pray that we'll continue to reach the Filipino people with the truth that God has given us. Let's keep, keeping on for our Lord!

Because of Him,
