*assisting churches since 1971*

Dear Pastor,

You belong to a very small group of churches that support the ministry of World Wide New Testament Baptist Mission. We are very grateful for your kind and continued support of this ministry. It is our desire to service our missionary families as effectively as possible without a huge impact on them financially. Your support to the office makes it possible for us to do our best for these front line soldiers of the Gospel of Christ.

The Lord continues to bless the Mission with applicants. These young families have the call of God on their lives for ministries around the world. Thank you for having a part in their lives. I would encourage you to look at the missionaries listed on our website ([www.wwntbm.com](http://www.wwntbm.com)). I am very proud of the missions family associated with this work. Every component, from the home office, to the missionary families, to the Executive Board, is extremely important. However, we could have the finest team on earth, but we would get very little accomplished if we did not have the goodness of God, and the kindness of folks like you.

If we can assist you in any way, please do not hesitate to contact us. May the Lord bless you abundantly for your generosity to us.

In His Service,

Danny A. Whetstone
