

May 25, 2011

Dear Supporting Family,

On Monday morning I received a call from Guatamila that my email had been hacked and sure enough it had and that wasn't all, they deleted my whole address book so I could not interrupt the scam. Isn't that a blessing!! My new email address is <bibmdirector@gmail.com>. **Please send me your email address** so I can put you back in my address book. I plan to start emailing some of my prayer letter updates to cut down on postage and to save time and expense.

Since our last letter much has happened! Our first training program in Paraguay has been completed with good success. Bro. David Wise did a good job in this first big step of the training and the second step is already in the plans for late July and August. Enough was accomplished in the first session that I think we can finish the program in the next trip, if nothing goes wrong.

We are still waiting on our foundation and PJ papers for Paraguay. We know they have cleared all the requirements and are awaiting the President's signature, which can come anytime. Just help us pray that these documents get an approval soon! We need this document so we can do some other things that will greatly help in the evangelistic work there as well as getting some churchs planted. Some folk do not understand the importance of these legal steps, but the Lord commands us to do everything decently and in order and we are doing our very best to do this. He also tells us to render unto Caesar that which is Caesar's and we are doing that as well. Our calling is to plant churches and if it isn't done correctly, they will fall by the way side in the months ahead. We certainly are not in America and we all must remember this when in another country. Because of the Paraguay work, doors are definately opening for more work in South America. Help us pray for the Holy Spirit's direction and leadership as we "test the waters" in these new areas.

July 18-20th is our Semi-annual Business Meeting and Training time for our BIBM Family. We are working hard to have a good meeting on Monday night and see God open some new doors for us in church planting in the US. Tuesday is the Gerald Fleming Memorial Golf Tournament and we invite all that can to come and participate in this event. On Tuesday and Wednesday evenings we will be having special services at The Answer Baptist Church, and since 2011 is Beacon's 15th Anniversary, we are planning some special things that should be a blessing to everyone.

One last request, BIBM's national missionary, Yery Martinez in Honduras is in need of some help financially. They are expecting a baby any day and his support is very low. If anyone could help Yery it would be a great blessing. He is well deserving and the need is real. Thank you in advance for your help! Your help can be given through the BIBM Office with Yery's name on it and he will get it.

Friends, I certainly thank you for all your support and help! I realize times are tough and Christine and I are doing our best to stretch your dollars as far as we can to get the work done! Thank you, Thank you and Thank you again for your confidence in us and Beacon International Baptist Mission!
