

World Wide New Testament Baptist Missions

assisting churches since 1971

August 2011

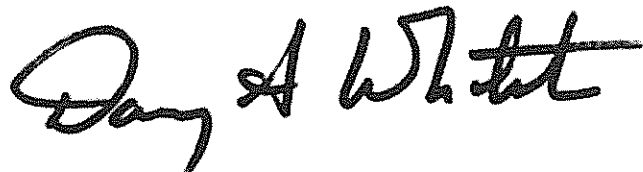

Dear Praying Friends,

We are grateful for your continued support of World Wide New Testament Baptist Mission. The Lord continues to send us families that He has called to go to regions beyond. Our office staff is working diligently to serve these faithful servants and the churches that support them. You are one of the few churches that we communicate with that actually supports the mission office. Thank you for recognizing the need. You are fully aware that office expenses have increased dramatically over the last few years. Brother O'Malley and the office staff have done a commendable job in keeping the expenses to a minimum while continuing to serve the missionary families. Please be assured that we are using your contribution to the best of our ability.

The office staff has developed a new website (www.helpmymc.com) that you might be interested in for future missions conferences. You can download these materials and print them, or have them printed for your meeting.

We pray that the Lord will bless you continually.

In His Service,

Danny A. Whetstone
