Dear Pastor and Faithful Friends,

It's truly amazing to stand back and watch the hand of the Lord moving in the Philippines. I've mentioned that the DECS (Department of Education Culture and Science) school system has opened the door for Values Education Training. This ministry is growing rapidly in Manila with 360 class room setting weekly from 7:30AM to 2:30PM five days a week. This great work would not be possible without the involvement of the local churches.

Our new couples, Bro. Josh Adams and Bro. Randy Ellis live in Manila and are quickly learning the culture and the new language while ministering in the prisons and schools. The churches and Filipino's have embraced them and that has made the adjustment much easier.

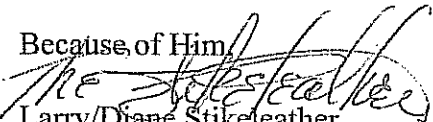

Last month while in Cebu with the Wonser family, Bro. Mike and I went to the Cebu City Jail. Bro. Mike and a Filipino pastor, that has befriended him, are faithful to go every Monday. The Jail sit's on top of a mountain over looking the city, with a male population of over 2000 and a female population of over 600. This is our first time ever being in this facility and the officials have been very gracious to us. Four (4) men raised their hand for salvation at the conclusion of the preaching service, Amen!

These inmates are eager to start the Prisoner Bible Institute lessons, so please pray with us that the translation from English to Cebuano will go smoothly and quickly.

We always need Bibles, tracts and PBI material for the inmates. Just yesterday 9 Balik Bayan boxes were loaded with these much needed items. Thanks to Mrs. Peggy Ellis and the Lovely Ladies Ministry, 6 boxes of humanitarian needs including socks, soap, shampoo, toothpaste, etc., for Christmas stockings were also shipped. Please pray that they'll arrive before Christmas, Amen!

Thank you for your continued prayers and support, God bless you all.

Because of Him,

Larry/Diane Stikeleather
