ELIJAH & ALI GRACE MISSIONARIES TO INDIA

February 2012

Dear Pastor, Church, and Prayer Partners;

Thank you so much for your faithfulness to God and to our ministry! We are excited about what God is doing in our lives and all that He is going to do!

We have been in contact with several Indian families within our community and are making progress with them. We have been able to give several tracts and a Hindi Bible to one of the couples. We have also invited them to church and our home several times, with no luck thus far. The wife told me the other day that she wants to come, but is just waiting on her husband to agree. A different Indian man, I have talked with, has asked me to come hang out with him at his convenience store and talk about India and Hinduism. Of course we will end up talking about Jesus, so please pray for us that the Holy Spirit would do a work in his heart.

We believe that God is going to allow us to leave for the field by the end of this year. We would appreciate your prayers in this matter because; we want to leave in God's time and not ours. We are excited about leaving and have we a lot to try and prepare for before that day arrives.

We have been praying for many things that I would like to share with you. We would like to open up the door for you to be able to help with these items, if you would like! We have began saving for our setup fund, which includes items we will need for the initial move to India. Below you will find a list of the items that we still stand in need of. We will keep you updated monthly through our prayer letter and website ([www.ComeAndSeeIndia.org](http://www.ComeAndSeeIndia.org)) as to what the Lord has provided. If you are interested in helping with these needs, you can send it through our mission board and label it "Setup Fund/Jim Roberts Family."
