

# World Wide New Testament Baptist Missions

*assisting churches since 1971*

March 2012

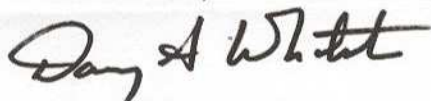

Dear Praying Friends,

World Wide New Testament Baptist Mission is blessed because you have chosen to support this ministry. We count it a joy to serve more than one hundred missionary families that the Lord has called out of churches across America, and in some cases in regions beyond. We are all aware that stretching the dollar is more important than ever, and yet the cost for things that we must use most is going up every day, it seems. Telephone service and postage alone continue to push the budget higher and higher. As you can imagine, servicing families all over the world can get very expensive very quickly. The Lord is so good to provide the funds through folks like you, and to grant our staff insights on how to do the job more efficiently.

We covet your prayers on behalf of the missionary families that are serving the Lord in an ever increasingly dangerous world. This past week, a missionary's wife was robbed in Mexico. Countries that, at one time welcomed Americans with open arms, now threaten to take them hostage on every hand. Paul often called on the churches to pray for him in his missions endeavors. We must do no less for those that represent us in far off lands today.

Thank you again for including us in your missions budget. If we can be of any service to you, please do not hesitate to call on us.

In His Service,

Danny A. Whetstone
