Dear Supporters and Prayer Warriors,

As we approach the coming of our Lord, I am realizing more and more just how precious the hours are! We were in the Philippines in December and saw some wonderful ministries and great things happening in Jesus Name, and that made me realize just how little time we have to get the Word to the many people groups that have never heard the name of Jesus! Bro. Dennis Young and his family have been there for over 15 years and had so many hardships and disappointments, yet they keep going and winning souls. A real blessing to see this family overcome corrupt governments and many wicked officials and yet continue in the Love of Jesus Christ. What a work the Young's are doing!!

Christine and I were in Honduras March 19-23 and saw God do some really great things. He allowed us to get our foundation process ready to submit to the government in just 3 days of work. I have never seen things come together as well as it did down there. Bro. Yery Martinez is doing a great job in his church in San Pedro Sula and once the paper work is done, he will be ready for some training from Beacon Bible Institute. He is anxious and we are ready to get it going as soon as possible. Yery is attempting to get a visa for about 2 months to come to the states and visit some of his supporting churches and try to raise a little more support. If anyone is looking for a good missionary investment, here is your man!

The work in Paraguay is taking on a whole new perspective since we got that foundation last September. Bro. David Wise has had 2 churches promise AND send in the financing for 2 major wattage radio stations to begin broadcasting the gospel just as soon as we get some recording equipment to the national missionary, Florentino Britez. This will mean that approximately 2+ million people will be hearing the gospel message daily. With just a small station reaching 15,000-20,000 we are receiving reports of many people getting saved! What will the reports be when over 2,000,000 begin to hear the gospel daily?! If you would like to have a part of this great reaping, just send what you can to the mission office with Paraguay Radio Ministry on your check and it will go to work almost immediately.

We have been very busy all winter and God has answered many prayers as we have been planning and working on the many outreaches that BIBM is involved with. I really am amazed at how God uses everyday people to carry such a wonderful message of eternal life! As we are in our 16th year at BIBM, I began thinking the other day and realized that God has put BIBM in 10 countries on 5 continents with 19 missionary families. That may not seem like much to some, but it is big to us at BIBM. Those of you that support us and this ministry will have much to be thankful for at the Judgment Seat of Christ. Only God knows how many souls have been saved in these 16 years. That is exciting to think about!

Please continue to pray for us. A lot is going on and we do not always understand, but God does and we are His and He knows best. We press on until He comes!

Bro. Jerry & Christine
