Dear Pastor and Faithful Friends,

Excitement is in the air! The Childress Family arrived in Cebu and they are getting settled into their new life as Missionaries in the Philippines. Also, Susan Willis and her father Robert made their first trip to the Philippines. As mentioned before in some of our letters, she is currently on deputation as a Philippine Missionary with the ministry. She fell in love with the people, as well as they with her. As Susan's time for her departure was drawing near she stated, "If I had my support I'd just stay right here." Well, you can see why we are so excited!

A group of seven men that came on the same trip taught in the schools, preached in the prisons and churches. Praise the Lord, exactly 100 souls came to know the Lord as their personal Savior, Amen!

You may have heard about a major earthquake that struck the Philippines on Feb. 6th at 11:49 a.m. This quake hit the islands of Negros and Cebu where the Wonser and Childress families are located. The quake measured 6.9 and took the lives of 53 people, there are still hundreds missing. Our families are shaken, but praise the Lord, all are well. Please, keep these missionaries in your prayers.

I'd like to close with a letter from an inmate:

Dear Brother and Sister,

I am Gilbert C. Saralejo, one of the inmate's inside the Jail. I'm fully repented my sin. By this ministry of Rock of Ages I know Christ as my Savior. Brother and Sister thank you so much for your effort to us. I hope that you will not be tired of us here in sharing the Word of God.

In Christ
Gilbert Saralejo

Because of Him,
