Dear Supporters and Prayer Partners,

The "Dog Daze of Summer" are here and we are stuck in high gear it seems. We just finished our 17th Summer Business Meeting at BIBM and once again, the Lord made it a success and all went well! We were privileged to bring the Jon LaBelle family into the BIBM Family. They are going to Sierra Leone, West Africa, and if any of you are looking for a very good investment in missions, here is your chance! Bro. LaBelle is already at about 30% of his needed support and is really going after this task at hand. I wish all missionaries were this determined and excited!

We were in New York on two different occasions the last of June and first part of July. We were privileged to preach for Bro. Adam Crabtree at Focus Baptist Church's Fellowship Meeting on July 10th and was excited about meeting some 30 new pastors and introducing them to BIBM. We had a very good time and we got to help feed these pastors some real southern "white sauce" or, as we call it, Sausage Gravy! Ummmm Good! A great day and then a quick trip back home to get ready for the BIBM Meeting. Tired and weary, but God was very good to us and everything went well. Missionary Jonathan Keeling preached for us on Tuesday evening and Pastor Mark Burford preached on Wednesday evening and both of these men hit home runs in their timely messages.

The rest of our summer is full of mission meetings and work that goes on regardless of the time of year. Beginning in September we will be in meetings from Austin, Texas to Northern Virginia to Central Indiana to Brooklyn, New York. We are excited about these opportunities and are praying for God to really use us in these upcoming months.

We are still in the process of getting BIBM registered in Honduras and I am working on a church constitution for Bro. Yery Martinez to submit and bring his church under the registration as soon as it is approved. I think it will be a great blessing and encouragement to Bro. Martinez and his work there. He is excited and working hard to get all this done and we are doing all we can to keep him with the paper work to submit. I think this will come together before years end and early next year we can start the training program with Bro. Yery and some of his folk.

Please pray for us that we can stay strong in preaching, long in praying and persevering in striving toward the mark and high calling of God for us. Thank you for all your support and prayers!

Bro. Jerry and Christine
