Dear Pastor and Church,

Because of a very tragic illness that has stricken one of our national missionary families, this letter comes with a heavy heart. The Monderin family was our very first national missionary couple. A little over three weeks ago, Sis. Joyce experienced seizures resulting from an asthma attack. While at the hospital she collapsed and stopped breathing. The medical staff is doing everything they can but there has been little response; she is in a coma and has been on life support since that time. This is a young couple with two little girls, 3 and 5 years old. Please pray for this situation.

Bro. Mike Wonser sent this picture of a Christian film being shown in the Mandaue City Jail in Cebu. Praise the Lord for the seven inmates that were saved and then followed in believer's baptism.

Pictured to the right is Pastor Kent Jesalva, from World In Need Baptist Church. Pastor Kent preformed the baptisms.

His is just one of several churches that partner with us each and every week. Praise the Lord!

The 24th of September a team, from the states, will be holding a Pastor's Conference. Several churches in Bacolod City, Negros Island, are coming together for an evangelistic meeting following the conference. During the day prison services will be conducted and a work at the Chinese Christian School is scheduled. There are over 100,000 Chinese people in Bacolod City. Do to the efforts of Bro. Mike Van Horn, we will be passing out a new Chinese tract. Pray that there will be a great harvest of souls!

Because of Him,

The Stikeleathers
