Dear Pastor and Friends,

Goals, visions, dreams and plans are already before us for this New Year. There are open doors and great opportunities in the schools as well as the prisons through out the Philippines. Pray for us as we train the many volunteers. We are so thankful for these dear folks. Without the local churches, their pastors and members, we would not be able to accomplish nearly as much for the Lord.

Because of your faithful prayers and support these two inmates have come to know the Lord as their savior. I hope you enjoy their testimonies.

Dear Brethren,

I praise and thank the Lord for sending someone here inside the jail to teach us the Word of God. Since I started the lesson of Matthew and the ongoing lessons, they've had a great impact on my life. First, I came to know the True and Living God. Second I accepted the Lord as my personal savior. Even though there are problems in my life, I now learn to overcome them through the study of God's word. God Bless!

Dear Rock of Ages,

First of all I want to thank Lord for the free gift of salvation that He gives me. I'm thankful for the weekly Bible studies, I saw the promises and they give me hope to continue serving Him here in this jail. And to tell others here that have no more hope. Thanks again!
