Dear Pastor and Faithful Friends,

This past February was the 12<sup>th</sup> anniversary for our Rock of Ages chapel in the New Bilibid Prison. After preaching, thirteen inmates raised their hands indicating their need of salvation, what a blessing! The officials are discussing the possibility of moving the chapel. **Please pray this doesn't happen.**

On April 7<sup>th</sup> New Life Bible Baptist Church celebrated their 24<sup>th</sup> anniversary. During our last trip into the Philippines Bro. Ricky and I were privileged to attend this day of celebration. This was the very first church I preached in upon arriving in the Philippines back in January of 1995, and it has held a special place in my heart. To the right is a picture of Dr. Dunsford preaching the anniversary message. Ninety-four souls came forward during the invitation. This was the largest response in the history of the church.

**Please pray with us about this concern;** My left knee needs to be replaced and I have been on the VA list, waiting, since August of last year. Diane and I, Lord willing, plan to go back to the Philippines in November of this year. After surgery I will need two to three months of recovery and therapy before we can return, **so please pray for timeliness and speed of recovery!!!!**

**Also, I would ask you to pray about the need of a SUV for the work in the Philippines.** We are going to be working in the mountains three times a week and a normal car would not be able to handle the rocky, rough, washed out roads. The cost will be around \$18,000 for a used but dependable SUV. If you can help in any way with this need, please send your love offering to the Home Office and make a note in the memo, Stikeleather's Philippine SUV.

**Special Note:** The Home Office has moved to a new location, please send all correspondence to: **Rock of Ages Ministries, Inc. PO Box 2308 Cleveland, TN 37320**

Because of Him,
