Hello my Dear Friends and Supporters,

This Spring has been a very busy and prosperous time in our lives. God has blest with 3 new applications for BIBM and the fourth is coming I understand. What a thrill to see God working in lives around the world, for one purpose.....to introduce His Son, Jesus Christ to the lost sinners far and wide, because He is not willing that any should perish! Amen!!

We have been in a couple of new churches presenting BIBM and Faith Promise and the results have been very good. Every meeting we have held this year has produced an increase except one. We are always excited when God brings the increase! He always honors His Word and I love to be where He wants me and to do what He says. Satan always raises up his ugly head, but we just keep going realizing he is a defeated foe! Amen!!

Christine is doing really well and is gaining strength daily. She is a trooper for sure and I thank God every day the He allowed her to stay along side me for a while longer. It would be tough without her help and assistance in the work. My health is doing well. My last check-up showed no problems and I took three more treatments just to be on the safe side and God answered prayer in each treatment and I have handled them very well. I have been able to keep going on a little slower pace, but staying busy and praising God for the tender love and care He provides.

Please keep praying for Honduras and Paraguay. I am are going to Paraguay in August, along with Bro. David Wise and Pastor David Freeman to assist in ordaining Florintino. This trip is of utmost importance due to a renegade preacher there trying to de-rail the ministry and the BIBM Registration. The ordination under Calvary Baptist Church in Stuart, Virginia will stop that foolishness, but it must be done immediately. Sure glad God has give us a characted man in Florintino or he would have sold out, but our God is able to keep that which is committed to Him against that day in more ways than one.

Keep us in your prayers! So much to do and time is flying by; sometimes I feel like the load is too heavy, but not so! I know that God will never give us more than we can handle and I love it! Love you guys and thank you for your love and support to keep us on the go for our Lord!

Bro. Jerry & Christine
