August 16, 2013

Dear Friends and Ministry Partners,

What a time as never in history! We are soooo close to the coming of the Lord that I am excited every day! It can't be much longer until we hear the trumpet and away we go! Amen! This year has been a trip for me and Christine to say the least. I am so thankful that God is my refuge! Through trials and troubles and sickness our anchor still holds!

We had a wonderful BIBM Summer Meeting in July. This year we held our entire meeting at Eastside Baptist Church in Greeneville, Tennessee. The Church was very gracious in supplying all the necessary things to make this a very good meeting and we were privileged to have Pastor David Fox become one of our Board Members. We added 5 families to the mission: Bro. Rich and Kim Wilson, going to New Zealand; Bro. Jon Rea, going to Laos and another fine brother that we will announce a little later, as a Representative for the mission and a relief missionary for missionaries going on furlough and other areas of helping missionaries in need of relief for short term. We have 2 other families in Camerron, Africa that are working with Veteran Missionary, Mark Gostlin and the French Redemption Project. These fields are areas of great need and much prayer and patience must be exhibited for success! Sure glad God opened these doors for us!

As I write this letter, Bro. David Wise is in Paraguay along with his Pastor, David Freeman of Calvary Baptist Church in Patrick Springs, Va. They are there to ordain Florentino Britez into the Ministry through Calvary Baptist Church. This will be a blessing for Florentino and the radio ministry, as well as the church he pastors in Farsarde, Paraguay. I expect to see some great things come from Paraguay and for many souls to be saved through this work.

There has been so much going on that space and time doesn't allow me to write it all down. It has been a very fruitful Spring and Summer and thank God for victory over the Devil and his attacks! We are excited about what God is going to do this the fall and winter. We have a full schedule and look forward to the work and for God to supply the strength to get it done to His glory!

Thanks to each of you for your prayers, support and standing with us as we continue until He calls us out!

Jerry & Christine
