Dear Praying Friends,

### Going back to Uganda

Yes, it's true. It is already time to go back. Furlough is over. We have been able to see many of our supporting churches, and re-acquaint ourselves with friends. It has been a good furlough. However, we leave on Wednesday, Jan 22, and we are busily packing trunks (22 so far), and getting every last minute detail taken care of.

Please begin sending mail to our Ugandan address  
PO Box 373  
Gulu Uganda East Africa

### Prayer Requests

- Safety as we travel
- We need God's blessing as we buy a van in Uganda.

Thanks for praying,  
Nate, Sara, Andrew, Joseph, Susanna, Caleb, and Daniel Wright!
