Dear Ministry Partners,

Summer has sprung upon us without much spring and our work is in full swing! God has been so good and allowed us to be in several places sharing the ministry and helping raise money for missions! When we realize what God has done for us, it is easy to give of ourselves to help others come to know Christ.

Christine and I were privileged to work with Good Shepherd Baptist Mission's Missionary Training School in April, and I think it was the best class ever. Missionaries came that wanted help and all of the instructors were able to help and be a blessing to them. Of course the weather was less than cooperating, but what is new in Spencer, Ohio in April!! This was our 9th year working with GSBM in the MTS and we were exhausted when it was over, but we were honored to be a part of the school. BIBM had 4 families there this year and we were very proud of their participation and I can already tell a difference in their deputation!

Our BIBM Summer Meeting is quickly coming and we are going to be at Elijah's Harbor for the whole meeting this year. Elijah's Harbor is just outside Greeneville, Tennessee and about 25 minutes from our home church, Eastside Baptist. This 22,000 square foot mansion is a place for weary pastors who need a break to go for some R & R. Dr. Tom Farrell is over Elijah's Harbor and he ask us to bring our meeting out there and see how we like it. We are excited to be there and see how it goes with all our BIBM family.

Many inquire about my and Christine's health and, to the glory of God, we are back to 100% and are loving every minute of it. We have had to slow down just a little, but I think I feel better than I have in years and so does Christine. I have a Bladder check-up in late June but I have no reason to think there is any problem. God is gracious in His healing power!

**I NEED YOUR HELP!!** I have lost all my email addresses somehow and I would like to start sending the prayer letter via email due to the high postage and for convenience. Please send me your email address as soon as possible so I can compile an address list. I can send an update as things happen and keep everyone informed more accurately this way.

Thank each of you for your continued support and help in our work and we could not continue without your help and investment in us! God bless you all!!!

*Bro. Jerry & Christine*
